FAR EAST BROADCASTING COMPANY: Christ to the world by media

## Week 1: Saturday 1 - Sunday 2 December

1st - 2nd **Ukraine** - Those living in the Eastern conflict areas of Ukraine are more open and seeking help to address life's deeper issues. Jn 5:19

## Week 2: Monday 3 - Sunday 9 December

7-9th **Liangyou Theological Seminary** - Established in 1982 to meet the need for contextualised Bible training. Previously a believer, if literate, could become a pastor within a short period. The courses address core theology, moral character and the learning needs of each student. Pray for the students to "love from a pure heart, have a good conscience and a sincere faith." 1Tim 1

## Week 3: Monday 10 - Sunday 16 December

10th **Indonesia** - Two significant disasters have impacted this archipelago recently. Thousands died, rebuilding will take years. Pray God's restoration.  
11th **Speaker Boxes** - Distributing these in remote areas, beyond our broadcasts, in the local dialect. Many travel long distances to enthusiastically received them. Deep calls to deep Ps 42:7

14-16th **Yemen** - Yemeni's are increasingly open to new ideas in their search for hope as conflict continues in their country. Please pray for listeners as they explore beliefs different from their established ones. With death and destruction around them may God's light shine into Yemeni hearts by media and every means. Pray for godly insight for our staff.

## Week 4: Monday 17- Sunday 23 December

17th **International Service Team** - One of the goals of the IST is to build working relationships between fields to maximise expertise and efficiency. Ps 90:17  
18th **Hmong** - "I hear every broadcast. In this area we are poor, uneducated. Many don't know how to love and fear evil spirits. Through your radio we hear good things and you help us be better!" - listener, SE Asia  
19th **Mongolia** - "While at school my father brought home a radio. It became very dear, we listened to your broadcasts. My faith began with these seeds." - Sun

May those promises and hopes come to fruition in 2019. Rom. 5:5

## Week 5: Monday 24 - Sunday 30 December

24th **Ukraine** - Our station in Odessa needs a qualified staff position filled. Please intercede for God's appointed person. *Dyakuyu* - thanks!

28-30th **Vietnam** - Developing mobile technologies in restrictive environments like Vietnam is crucial in the spread of the Gospel. The Church is monitored closely and required to report it's activities. In comparison personal phone use is not. Audio visual content also reaches the deaf community as well as millions of souls. Pray for these developments, our team and listeners.

## Week 6: Monday 31 December

31st **Oral Communities** - Jesus could read and write yet he lived in a largely oral society and communicated through stories and parables. FEBC takes God's story to listeners. Pray for greater creativity and reach.
