FM 98.8 5am-6am

FAR EAST BROADCASTING COMPANY: Until all have heard

Week 1: Wednesday 1 - Sunday 5 September

- 1st **Ukraine** - Wounded by the War ministers to everyone caught up in the conflict, soldiers and civilians. May listeners enter Christ's peace. Jn 14:27
- 2nd **Kyrgyzstan** - Local pastors often participate in our broadcasts. While there are significant opportunities for outreach, pray too for protection for all.
- 3rd-5th **China** - Under restrictive management laws it is not easy to be a pastor or missionary in Mainland China. Gospel broadcasting is also challenging. Please pray for faithful courage, that the lives and ministries of Chinese Christians will be a powerful testimony to the Lord Jesus. Col 3: 16,17.

Week 2: Monday 6 - Sunday 12 September

- 6th **Mongolia** - Uugantsetseg hosts a daily mother's programme to encourage mothers and provide support for them, in turn strengthening families. Pray.
- 7th **First Response Radio** - Training ensures our teams are well equipped. Some content can be transferred to a video conference format, although most is hands-on. Please pray for a way to upskill our teams during the pandemic.
- 8th **Thailand** - Broadcasting on Facebook allows our listeners to interact with our broadcasters with total anonymity, for security. Pray for wisdom in utilising this new media for His kingdom.
- 9th **Indonesia** - Please pray for Radio Farsi, a programme for Persian-speaking refugees in Indonesia. Follow up Bible studies are part of this ministry too.
- 10-12th **Vietnam** - Years of war and Marxist policies proved disastrous for the majority. Recent economic reforms have lifted the standard of living for some although increasing globalisation is also changing the values of younger generations to an individualistic mindset. Pray for the younger generation to find their true purpose in relationship with Christ.

Week 3: Monday 13 - Sunday 19 September

- 13th **Technical staff** - As Covid continues please pray for our technicians who need to travel to check our stations and masts. May they be kept safe.
- 14th **India** - Please pray for our national Director Benjamin and his team. Before Covid FEBA India was receiving more than 3000 inquiries per month!
- 15th **Central Asia** - A challenging region, nevertheless the young church is growing. Pray for our programmes to meet and mature listeners' faith.
- 16th **Mongolia** - The first generation church is growing but there are many opportunities, like children and youth. Pray for creative outreach in these areas.

- 17-19th **First Response Radio** - Disaster communication is more than airing facts, as vital as timely information is. Psycho-social healing through local cultural music and encouragement for example addresses the needs of the whole person. Pray for our skilled teams, ready for when the next disaster strikes.

Week 4: Monday 20 - Sunday 26 September

- 20th **Yemen** - Pray for the people of Yemen. War has completely destroyed the social fabric, polarising people, increasing hatred and a desire for revenge. May our broadcasts sow Gospel seeds of forgiveness and healing.
- 21st **Middle East** - Please pray for open doors to a new FM station. There are a number of obstacles and opposition, yet many are receiving Jesus with joy!
- 22nd **Pakistan** - Give thanks for the recent approval from the government to continue to receive vital overseas funding, allowing us to continue broadcasting.
- 23rd **Volunteers** - Partnering with local Christians offers support to our ministry, especially in following up with listeners. Pray for people of integrity.
- 24-26th **Indonesia** - Please intercede for our team as they develop strategic programming for the many different audiences in Indonesia. May they know His leading and how to creatively reach listeners. 1 Chron 12:32 Pray too for godly partnerships which will extend His Kingdom across this archipelago.

Week 5: Monday 27 - Thursday 30 September

- 27th **Russia** - Pray for our ministry to the Buryat people, in their language. Buddhism, Shamanism, ancestral worship & animism are common spiritual practices.
- 28th **Kyrgyzstan** - Pray for the impact of our programmes on families, especially men to be godly leaders. May God raise up families in His love and purposes.
- 29th **Ukraine** - Pray for our team, especially the leadership, as it expands. May God lead and establish FEBC Ukraine. Ps 16:6
- 30th **Speaker Boxes** - "I'm registered into the Speaker Box programme at the village church - a 3 hour walk away. I charge it at the market every day so we can listen at night." Pray for effective follow up of our listeners.
