- 20th **Vietnam** - In many places there is no church, therefore little or no Gospel knowledge. Pray our broadcasts reach waiting hearts with eternal hope.
- 21st-23rd **Cambodia** - Sharing the love of God through media pray for our team. Many adults are still deeply scarred from the past. Cambodia is poor, with an average income of \$306 p.a. Half the population is under 18 years. Our different programmes seek to address the needs of the whole person.

- 28-30th **Yemen** - Yemeni children face the dangers of adults, with no idea where to turn. Many cannot read or write as a direct result of the ongoing conflict that has closed schools. Believers requested children's Bible stories and resources, so we broadcast these regularly. Pray these build resilience and hope. Mtt 19:14
- 31st **Speaker Boxes** - Loaded with Gospel content these devices encourage isolated believers and provide updateable discipleship material. Phil 1:6
