I wonder what part of your body you will use the most to show or tell someone that God cares about them?

~ Would you use your **hands** to **hug** a friend who is sad?

~ Or would you use your **eyes** to **see** someone who doesn't have lunch and share yours?

~ Or maybe you would use your **mouth** to **tell** someone how special God has made them?

**Trace your hand / foot and fill it with actions
or words that you would use to tell someone
God loves them.**
